Short Title	Manage Profile and Settings
ID	US-05
Priority	Medium
Description	A user can create/ edit his Profile (name, weight, height, age, ...) and Settings (Dark mode, ...)
Additional Aspects	
Wireframe	 <p>The wireframe shows a mobile application interface for a fitness or health app. The screen is titled "Dein Profil" (Your Profile) in orange. Below the title is a circular profile picture placeholder with a camera icon and the text "Hello, Julian!". To the right of the profile picture is a circular progress indicator showing 90% completion. Below the progress indicator, the text "Level 14" and "450 / 500 WP" is displayed. At the bottom of the screen, there is a list of settings: "Edit Profile-Settings", "Change Language", "Dark-Mode", and "Contact us!", each with an orange triangle icon to its right. The bottom navigation bar contains five icons: a target, a bar chart, a person, a paw print, and a vertical ellipsis.</p>
